BAD NEWS FROM THE PACIFIC: DUE TO THE INCREASE OF POLLUTION, MORE AND MORE WHALES SUFFER LOSS OF ORIENTATION, DYING ON THE BEACH.
EVEN WORSE IS THE CONDITION OF THE SEAFLOOR...

...WHICH IS INCREASINGLY POPULATED BY NEW FLORA AND FAUNA, DEPLETING THE SEA OF SOME SUBSTANCES VITAL FOR THE ECOSYSTEM.

AT THIS RATE, THE EXPERTS SAY THE EARTH IS ON THE EDGE OF COLLAPSE.
